

CHILD SAFEGUARDING STATEMENT OF OPEN SPECTRUM CLG

Open Spectrum provides extra-curricular activities for children up to the age of 18 who are on the autistic spectrum. Our volunteer-led service is designed around the needs of children and we comply with all national legislation and guidelines to promote the safety and well-being of our participants.

RISK ASSESSMENT

We have carried out an assessment of any potential harm to a child while availing of our services. Below is a list of the areas of risk identified and the list of procedures for managing these risks.

1. **PHYSICAL INJURY:** Premises for each activity are inspected by the Health and Safety Officer of Open Spectrum. Each child's parent/guardian is on site or within reach by phone during the activity. A First Aid kit is with the Parent Co-ordinator onsite. In case of serious injury, the coach will call emergency services.
2. Fire safety standards and drill have been checked and shared with the coach by the Health and Safety Officer. The coach is responsible for evacuation.
3. **RISK OF DISTRESS TO A PARTICIPANT CAUSED BY ANOTHER PARTICIPANT:** All participants have subscribed to the OS Code of Conduct. The Parent/Guardian of each child is on site or within reach by phone. If agreement is not reached, the participant(s) accused of causing distress may be asked to withdraw from the activity.
4. **RISK OF DISTRESS BY PARTICIPANT CAUSED BY PARENT/GUARDIAN:** Parents/guardians have subscribed to the OS Code of Conduct. If agreement to desist is not reached between parent and coach, the parent accused of causing distress may be asked by the coach to withdraw from the activity.
